

# Sumitomo Forestry Group Environmental Policy

Through our experience nurturing forests since our founding, Sumitomo Forestry Group has learned to appreciate the wonders of wood and the importance of nature. As a corporate entity with a close affinity to nature, we will pursue business activities that balance both environmental and economic interests and contribute to a sustainable society.

- 1 Develop business operations centered on wood and forests**  
We will cultivate forests and their ability to preserve and enhance the rich ecosystem to protect biodiversity, actively utilize timber resources and create new corporate value.
- 2 Develop and offer environmentally conscious products and services**  
We will develop and sell products and services that are environmentally conscious throughout the entire product lifecycle.
- 3 Minimize and improve environmental impact**  
To minimize and improve environmental impact, we will employ procurement practices that prevent environmental pollution and climate change and promote the effective utilization of natural resources.
- 4 Ensure strict legal compliance**  
We will adhere to all environmental laws, rules and regulations, global standards, voluntary standards and accords with stakeholders.
- 5 Make continual improvements to our environmental management system**  
We will accurately assess environment-related risks associated with our business activities and with a mid-to-long-term outlook, set and work to fulfill yearly environment goals. In addition, we will regularly evaluate our environmental management system and make continual improvements.
- 6 Promote environmental education**  
We will provide environmental education for all parties involved in Sumitomo Forestry Group's business operations and encourage voluntary environmental efforts.
- 7 Pursue active communication**  
We will actively disclose information about our environmental policies and initiatives and pursue activities that convey the wonders of trees and forests and the importance of nature.
